### **In-Country Training Program on “Innovative Curriculum Development Using ICT Tools”**

The Technical Trainers Training and Resource Centre (TTTRC), Department of Workforce Planning and Skills Development (DWPSD), MoESD in collaboration with Colombo Plan Staff College (CPSC), Philippines will coordinate a training program on “Innovative Curriculum Development Using ICT Tools” in Thimphu, from 6-10 April 2026. The program aims to enhance ICT-integrated curriculum development skills among TVET professionals, ensuring alignment with industry needs and promoting inclusive education. It strengthens the capacity of curriculum developers and instructors, modernizes curriculum processes, and fosters collaboration with industry. Additionally, it supports sustainable curriculum development through continuous professional development and the effective use of innovative ICT tools for improved learning outcomes.

In this regard, the DWPSD would like to invite applications from the private sectors. A total of **10 slots** will be allocated to the private sectors. The applicants must be regular employees and must have a minimum of six months experience. The slots will be given on a first come first basis.

The application should be submitted through Google form link provided below.
